## Missions Alert from Dr. Downey

The third-quarter financial report submitted in the business meeting on October 23, revealed that our missions giving has been falling behind our support commitments at the rate of about \$500 per quarter since the first of the year. Please seek the leading of the Lord as to what you can and should do for the support of missions. Remember, every Christian is obligated to be involved in missions either by going to the field or giving to the support of those who go in our place. We should gladly obey the Lord in this matter out of gratitude for what He's done for us.

## Faith Promise Missions

November 4 was our annual Faith Promise Sunday, but it is not too late to submit a card indicating the amount you intend to give in the coming year. If you have not yet done so, or if you believe the Lord would have you give more than you indicated on the card you've already submitted, just fill out one of the cards that are available on the table in the foyer indicating the additional amount you plan to give and drop the tear-off stub in the offering plate.

Beloved, if God so loved us, we also ought to love one another. No one has seen God at any time; if we love one another, God abides in us, and His love is perfected in us. By this we know that we abide in Him and He in us, because He has given us of His Spirit. We have seen and testify that the Father has sent the Son to be the Savior of the world.
