Fellowship Project – Work Day

Saturday, August 24, all who can help are asked to come to the church prepared to clean the church building and fellowship hall, do other chores as listed, and/or help with some grounds-keeping work outdoors. Buildings and shed will be open by 8:00 a.m. so we can start early enough to beat the worst of the heat. If a good crew shows up, the work can be finished by noon or before. If you can't come for the entire morning, come when you can and do what you can before you need to leave.

Anniversary Sunday September 8

After the morning service we will have dinner in the fellowship hall. Church members should be sure to provide enough food for your own meal—meat, side dishes, desserts—with enough extra to help feed our visitors. To make sure there will be plenty of food for guests and those unable to contribute to the meal, the church will again be providing a little pulled pork bar-b-cue. Sunday school classes will not meet that day to allow time for you to prepare the food and deliver it to the fellowship hall. We will have a single worship service beginning at 10:30 a.m., with no evening activities. Dinner will include a time for testimonies and songs, after which the church family will stay a few minutes to help with after-dinner clean up before we go home.
