Faith Promise Praise

Additional cards have boosted total promised for 2022 to \$20,450. That's a little more than necessary to meet our commitments. However, we don't want to discourage others from participating in giving to our missions program. Cards can still be submitted. All funds given for missions go into a dedicated account for exclusive use for missions and will never be used for any other purpose. Donations in excess of what's needed for monthly support can be used for targeted gifts for special needs of our missionaries, Christmas gifts to our missionaries, and/or gifts to other organizations to whom we have no commitment but like to support on occasion. Such targeted gifts will be made only when approved by vote of the congregation.

Praise and Prayer Service

This annual service will be held next Sunday evening. We will sing a few songs, and the floor will be open for volunteers to express praise and thanksgiving to the Lord. The service will close with a time of prayer during which anyone may participate by offering a brief prayer. We ask only that all prayers in this service focus on praise and thanksgiving without asking God for anything.

Church Directory Update

A copy of the current directory is on the table in the back. This is the first update in four years, so everyone needs to check your information for accuracy. Especially note any changes of address, phone numbers, deletions of phone numbers, and email addresses. If your information needs no editing, please indicate that by placing a check mark by your name. If you are "new" enough that there is no entry for you, please write your information in at the end of the sheet so it can be included (check other entries to see the type of information submitted.) This is intended to be a listing of all who attend regularly, whether or not you have officially joined the church.
