## Used Furniture Available

When Pastor Downey had to move his office last year, he acquired a larger desk from GACS, and bought new bookcases. That has left one bookcase (with slightly bowed shelves) and a computer desk with hutch that need to find a new home. Both have matching cherry finish. If you are interested, or know someone who could use them, let Pastor Downey or Chad Hunt know.

---

These things I have written to you who believe in the name of the Son of God, so that you may know that you have eternal life. This is the confidence which we have before Him, that, if we ask anything according to His will, He hears us. And if we know that He hears us in whatever we ask, we know that we have the requests which we have asked from Him.

~ 1 John 5:13-15
