Faith Promise Missions

We launched our annual Faith Promise drive last Sunday during which each of us are asked to turn in anonymous cards indicating what you are trusting God to allow you to give to missions in 2025. Several turned in cards last Sunday, with total annual pledges of \$9,200, nearly half of our \$19,200 annual support commitments. If you were not here or are still praying about what you should promise to give, cards are available on the table in the foyer and can be submitted by dropping them in an offering plate during any service by the end of the year.
